RE: National Nursing Week

Dear Friend,

We at the Queensway Carleton Hospital are thrilled to celebrate the dedication and hard work of our nursing staff during National Nursing Week, which will take place from May 12 to May 18, 2025. This special week is dedicated to recognizing the invaluable contributions of our nurses, who consistently provide high-quality, compassionate care to our patients. From managing life-threatening emergencies, to delivering babies and providing comfort to the elderly in their final moments, nurses perform some of the most difficult and heartbreaking tasks in healthcare. National Nursing Week celebrates their dedication and sacrifices, reminding us to express our gratitude to the medical professionals who keep us healthy.

To celebrate our nursing staff, we have planned several exciting events throughout the week, including a gala dinner, a BBQ lunch, and a golf tournament. These events are designed to show our appreciation for the tireless efforts of our nurses and to provide them with an opportunity to celebrate. To make these events possible, we rely heavily on the generous support of community partners and businesses. We are seeking monetary donations, gift items, or gift certificates to be used as prizes at our events during the week. We understand that times are tough, which is why each donation means so much to our organization. Your contributions will be recognized on our sponsorship board at our events and in our 'Capsule' newsletter dedicated to the week. Your generosity will help us show our nursing staff how much they are appreciated by the community.

Thank you for considering our request and for helping us celebrate our nurses during National Nursing Week. If you have any questions, please feel free to contact us at [nursingweek@qch.on.ca](mailto:nursingweek@qch.on.ca) or 613-721-2000 x.5604.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Yvonne Wilson'.

Yvonne Wilson,  
VP, Patient Care and Chief Nursing Executive
