Whether you're a new business owner or thinking about joining our vibrant district, we are delighted to welcome you. Barrhaven is home to almost 110,000 people and the Southern gateway to Canada's Capital, the City of Ottawa.

We represent one of Canada's fastest growing suburban business communities.

At the BIA our mission is to empower Barrhaven businesses through support, promotion, and advocacy, driving prosperity and fostering growth.

The Barrhaven Business Improvement Area was created by the City of Ottawa in 2006 to help all local businesses succeed by **establishing Barrhaven as Ottawa's premier shopping, business, and entertainment destination.**

Membership in the BBIA is automatic. ALL commercial taxpaying businesses and property owners in the Barrhaven area belong to the BBIA. Home-based businesses are also eligible to join.

We are working every day to make Barrhaven a stronger place to invest, hire, shop, and grow a business.

From shaping the vision for **Barrhaven Downtown** to contributing to development planning and citywide initiatives, we ensure that the needs of local businesses are clearly heard.

The BBIA also creates opportunities for local business leaders to be recognized as **thought leaders** and advocates, strengthening our collective influence on policies and decisions that impact the community.
