

YOUR SUCCESS GUIDE

Business Park Owners & Tenants

Supporting Ottawa's Fastest-Growing Employment District

Barrhaven's business parks are home to advanced manufacturing, logistics, technology, professional services, and industrial businesses. The BBIA advocates for the infrastructure, investment, and policies needed to help these employers grow and compete.

What We're Hearing

Business park employers consistently emphasize the need for improved transportation infrastructure, workforce access, government advocacy, and continued investment in employment lands to support long-term business growth.
