Consultants - Realtors - Wellness

Helping You Build Relationships That Grow Your Business

Many professional service businesses succeed through referrals, reputation, and trusted relationships. The BBIA creates opportunities to strengthen all three while helping connect your business to the broader Barrhaven community.

What We Heard from Professional Service Providers

Professional service providers identified business networking as their highest priority, along with continued advocacy for community safety and infrastructure that supports employees, clients, and business growth.

How the BBIA Helps You

- BizConnect networking events
- Referral opportunities
- Speaking opportunities
- Educational workshops
- Business promotion
- Community partnerships
